YACHAY TECH LANGUAGE CENTER

The Yachay Tech Language Center offers a six-level intensive English as a Foreign Language (EFL) program. All levels (A1, A2, B1.1, B1.2, B2.1, and B2.2) are aligned with the Common European Framework of Reference for Languages (CEFR). Levels A1 through B2.1 emphasize the development of a strong foundation in the four core language skills: listening, speaking, reading, and writing. Level B2.2 places greater emphasis on advanced language use, critical thinking, and academic study skills to prepare students for success in undergraduate and graduate programs where English is the medium of instruction.

Language Center uses a custom CEFR-aligned proficiency test. The test uses the following scoring scale:

95–113	C1
72–94	B2
42–71	B1
